2021 Winning Essay

My mom deserves a diamond. She always motivates me. What she says to me makes me feel proud. My mom is always kind and helps people. That makes me want to be kind to others too. I like to draw a lot, and whenever I show my mom my drawings she says they're amazing which makes me want to draw more. My mom says I am an amazing daughter to her, but she helped me become it. She's told me to be honest to others and to always work my hardest. My mom really deserves a diamond.
