21st Annual
Writing Contest

Barb, Glenn, Doug, Dan, Dave, Don

ATTENTION TEACHERS:

Please follow the directions below:

Friday, February 16, 2024

- First, fill out your name ("Teacher's Name") and Grade Level on the entry form.
- Then, make copies of the entry form and hand it out to your students (we prefer that they fill it out during class, to avoid lost or misplaced forms). We suggest that you use the contest as an in-class writing exercise.
- After your students complete it, make a copy of their completed entry form (we ask that you keep a copy on file, because you'll get numerous requests from parents to see their child's essay - especially if they win).
- **Entries must be received by Friday, March 22, 2024**
- Entries may be mailed by school or by individual class or delivered to our store.
- All entries are read and evaluated by contest judges; winners are selected based on thoughtfulness & creativity.
- The contest is open to students in grades kindergarten through fifth.
- A stone will be awarded in every classroom that participates.
- Winners will be selected in late April.
- Prizes are genuine diamonds and gemstones.
- Winning diamonds and gemstones are **FREE**.
